Deux Chiens

Pierre Bonnard (1867–1947)

We've reproduced a small version of Pierre Bonnard's playful oil painting of two poodles playing. Can you enlarge it by copying one square at a time? This is a technique artists have used for centuries!

Pierre Bonnard (1867 - 1947), Deux Chiens ©Southampton Cultural Services

Pierre Bonnard also worked as an illustrator. Can you make up a story which this picture might illustrate?
